Sleek Headlamps

Stainless-steel Exhaust Covers

Aesthetically and Functionally Pleasing

Beauty on the Outside.

.....

Any way you look at it, the Kizashi is simply beautiful. Aesthetically pleasing to the eye with its aerodynamic design and clean lines, it is sporty, stylish and bold at the same time. Look even closer, and you'll notice the attention to detail that befits a luxury car.

Modern and Sporty Interior

Luxury and Comfort on the Inside.

.....

From the moment you settle into the Kizashi's 10 way power-adjustable driver's seat, you find your senses completely engaged. At a glance you'll find that all the controls are positioned where you intuitively expect to find them. Every colour and contour you notice is subdued and refined, and the symmetrical design of the instrument panels only adds to your visual experience. Beautifully crafted from top to bottom, the Kizashi will truly alter your perception of driving.

Safety & Performance.

The Kizashi's inspiring performance comes with state-of-the-art technology.

A 2.4 litre engine developed specially for the Kizashi combines powerful performance with exceptional calmness and a smooth drive. It also gives you precise handling and braking control while providing astounding visibility of everything around you. And to give you even greater peace of mind, the cabin also offers extensive protection with 6 airbags. This includes 2 front and 2 side air bags, as well as the left and right curtain airbags.
